▶ **KANAKO KUSANAGI**

Project Researcher, Center for Excellence in School Education, Graduate School of Education, University of Tokyo

▶ **KAZUAKI IWABUCHI**

MA student in Social Science of Education, Graduate School of Education, University of Tokyo

A Roundtable has been scheduled to discuss Japanese and Singapore education models, and how successful elements such as the “whole child education” concept and Lesson Study can be useful lessons for developing countries. Coupled with Japan’s and Singapore’s excellent performance in OECD’s PISA rankings, these unique education models provide compelling reasons for comparative policy learning.

**DATE : 26 AUGUST 2016, FRIDAY**

**TIME : 10AM – 3PM**

**VENUE: 20 UPPER CIRCULAR ROAD, THE RIVERWALK, #02-21, SINGAPORE 058416**

This event is hosted by The HEAD Foundation, a Singapore-based think tank devoted to research and policy influence in education and leadership, for development in Asia and jointly supported by the Center for Excellence in School Education, Graduate School of Education, The University of Tokyo.
